

- 
- The diagram illustrates the layout for a 4x9 inch front cover. It features three distinct regions: a central yellow 'Safe area', an outer pink hatched 'Bleed' area, and a blue dashed 'Trim' line. The text explains that the final job will be cut at the trim size, the bleed area must extend 1/8 inch past the trim, and the safe area must be at least 1/8 inch from the trim.
-  Shows the trim at 4"x 9"
(job will be cut at this size)
 -  **1/8" Bleed**
(background color, photos, or anything that touches the edge of the page to extend 1/8" past trim)
 -  **1/8" Safe area**
(any type or color/photos that doesn't bleed must be 1/8" within trim)
